Re: Response to Notice of Non-Compliant Amendment (3.07.05)

To Commissioner for Patents:

Enclosed please find the full set of claims indicating their status (E.g. original, currently amended, and etc.) along with the drawings with including the phrase "Replacement Drawings" per 37 CFR 1.121.

This should complete the Response to the First Office Action and we would ask that you proceed with examination. If you should have any questions, please feel free to call me at (949) 232-3430 or email me at jeff@patentsforless.com.

Thank you for your attention to this matter,
